

# Icebreaker Session

# Icebreaker Session

***Chat with your group during coffee break!***

- Who are they? What is their affiliation?
- What type of work do they do?
- What is their experience with flash flood forecasting platforms?
- What is their level of experience using EDERA products?
- What are their expected outcomes the workshop?

Online

***Nominate one person from each group to introduce the group in 3-5 minutes presentation.***
