Workshop Survey

1. What did you think of the workshop?
2. How would you improve the workshop?
3. What session did you find most useful on day 1 & 2?
4. How well did you understand the content of the EDERA workshop?
5. Which EDERA Products are you confident using after the workshop?
6. Have you accessed the training material available on the EDERA Platform? (e.g. Documentation/Videos). Did you find this material useful?
How can we improve?
7. Is there any part of EDERA you would like further training on?
8. What type of e-learning materials would you like to see in EDERA?
9. How interested are you in following the evolution of the EDERA Project?
